

**TERRITORY NATURAL
RESOURCE MANAGEMENT
CONFERENCE 2024**

**NORTHERN TERRITORY
NATURAL RESOURCE MANAGEMENT**
Awards 2024

PARTNERSHIP PROPOSAL

**2024 Territory Natural Resource Management Conference
and NT Natural Resource Management Awards
19-21 November, Darwin**

We invite you to align yourself with the Northern Territory's premiere event highlighting the best natural resource management activities across the region.

Partnering with us for the Territory Natural Resource Management Conference and NT NRM Awards will offer you unique exposure for your business or organisation in front of a large, diverse and engaged audience.

Our event is the only event in the Northern Territory that brings together hundreds of people from all walks of life who are passionate about looking after our natural environment and native species, and sustainably managing the NT's land, water, biodiversity and farming for the future.

As one of the largest gatherings of natural resource managers in the Northern Territory, you will have plenty of opportunities to network and share in-depth conversations with conference delegates during the fully-catered breaks, welcome drinks and the much loved NT NRM awards celebrations.

FACE TO FACE WITH YOUR *future* CLIENTS AND COLLEAGUES

The Territory Natural Resource Management Conference and NT NRM Awards showcase and advance activities related to managing the Territory's land, water and biodiversity.

This year's program will include a wide range of presentations, workshops and informative exhibition booths, covering the pressing themes in natural resource management in the Northern Territory today. It will also share the activities, successes and challenges of the local natural resource managers working to protect and maintain the Territory's natural resources.

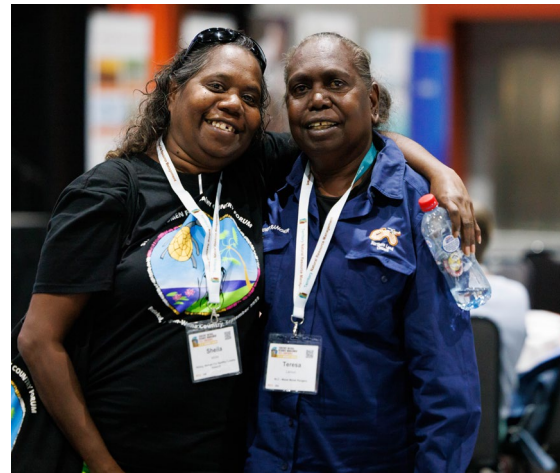

The conference brings together landholders, community groups, primary producers, Indigenous organisations, Territory businesses, government and industry bodies from across the region to network and learn from one another.

The conference also hosts an awards gala dinner to celebrate the prestigious NT Natural Resource Management Awards, which recognise and celebrate the outstanding achievements of those caring for country and farming for the future.

Want to create your own package? Speak with us about creating a tailored partnership package today.

ADDITIONAL PARTNERSHIP OPPORTUNITIES

Take Me There

TNRM works closely with many of the Northern Territory's Indigenous Ranger groups and Aboriginal corporations. The conference is an important platform for rangers to share findings and updates from some of the most remote project areas of the Territory.

Remote travel from remote communities to Darwin is logistically difficult and expensive.

To ensure our event is successful and inclusive, you can help support remote presenters and conference delegates to attend the conference and strengthen the efforts of natural resource managers throughout the Territory.

\$1,000 Purchase as a stand-alone package or add to an existing partnership package.

Benefits!

- Have your brand promoted on the TNRM conference website.
- Demonstrate your support for remote rangers to expand their knowledge and skills, and promote their natural resource management activities to industry peers, media and local business and organisations.

Session Support

The TNRM Conference program is delivered over three-days and includes workshops, panel discussions and symposium style sessions on the first and last day of the event. These sessions are programmed by TNRM and external facilitators.

\$2,500
Half day

\$4,000
Full-day

Support these sessions as a partner, or in a partner/facilitator capacity

Benefits!

- Session packages include benefits and recognition of your support as a Gold or Silver Partner.

Sponsor an NT NRM Award

Show your support for the NT's NRM champions and sponsor an NT NRM Award in a category that resonates with your organisation.

\$2000 Sponsor an NT NRM Award as an add-on to a Gold or Platinum partnership package

Benefits!

- Sponsors will be recognised during the NT NRM Awards gala dinner.
- Sponsors will be able to nominate a representative of their organisation to appear onstage and present the awards to the award winner/s of their sponsored category.

Student/Volunteer Support

TNRM is committed to providing an inclusive event that helps inspire and educate the next generation, or subsidises the cost for volunteers currently working in the NRM space.

You can help support students and volunteers to attend the conference to build their knowledge and network with others working in natural resource management.

\$400 Purchase a student/volunteer sponsorship registration to be allocated to a student or volunteer by TNRM.

Benefits!

- Purchase as a stand-a-lone package and receive a shout-out on our social media platforms and the TNRM conference website.
- Add on to an existing package to receive the above in addition to your other partnership benefits.

We are passionate about ensuring our partners receive the best possible exposure from our event.

For more information about our partnership packages or to discuss creating a tailored package, contact our Events Team.
